

## Workshops

### *How do I..? Workshop*

Ideal if you have a problem with your tablet, smartphone, laptop, PC, eReader or a software challenge that you can't resolve. This is your opportunity to find out how. We can help you extend your expertise with iOS, Android, Windows, email, Word or photo management.

#### *By the end of this workshop you will have:*

- Spent quality one-on-one time with one of our experienced tutors
- Gained the support and resolution you need
- Removed the barrier that's stopping you from completing a particular task
- Eliminated your frustration
- Understood your problem and how to fix it

#### *Duration & Cost*

These workshops are held twice a month on different days and times

Cost is variable based on the time spent with you but is capped at a maximum of \$10 per hour

#### *What you need to know before participating in this workshop:*

We're here to help - you just have to ask! Please bring laptop, tablet or phone with you as it will make problem-solving much easier for you. Bring your laptop mouse as well. If you need email assistance, it is crucial you bring your email password.

### *Q & A Workshop*

A problem shared is a problem halved.....this is a monthly open forum intended for those of you who would like to meet other members keen to share their knowledge and experience. This is also your chance, if you are a new member, to meet and network over a cuppa. You are guaranteed a warm welcome to our friendly group.

#### *By the end of this workshop you will have:*

- Realised that others encounter similar problems to you and that you are not alone
- Gathered more learning from a wide variety of discussions
- Networked in a friendly, supportive environment

#### *Duration & Cost*

These are held on the third Thursday of each month during term time, 9:30 am to noon. \$2 per person.

### ***What you need to know before participating in this workshop:***

There will often be a presentation on a specific topic by a guest speaker or one of our members followed by the open forum. Please note that very specific or overly complex questions/problems should be brought to the How do I..? Workshop rather than presented to this open forum.

## ***Android Tablet and Smartphone Workshop***

If you are a member with an Android Tablet or Smartphone and you want to know more about how to use your device, then this is the workshop for you.

### ***By the end of each workshop you will have:***

- Expanded your understanding of the basic features and operation of your device
- Listened to a topic of interest and observed a hands-on demonstration
- Had help getting the best out of your device
- Participated in a general question and answer session covering a range of issues
- Shared your Android knowledge with others and discovered that you are not alone.

### ***Duration & Cost***

2 hours - 3rd Thursday of each month at 2.00pm

\$5 per person

### ***What you need to know before participating in this workshop:***

Nothing! Just bring your Android Tablet or Smartphone (or both) along with you.

## ***iPad and iPhone Workshop***

As a dedicated iPad/iPhone user, this workshop is your opportunity to enhance your skills further as well as share your knowledge and experience with other iOS users.

### ***By the end of this workshop you will have:***

- Listened to a topic of interest, observed a hands-on demonstration and contributed to a discussion
- Participated in a general question and answer session covering a range of issues
- Had help getting the best out of your device
- Gained more knowledge by sharing your experiences with others

### ***Duration & Cost***

Two hours - 2nd Monday of each month at 2.00pm. \$5 per person

### ***What you need to know before you attend this workshop:***

Nothing! Just bring your iPad and/or iPhone with you.

## *TradeMe Workshop*

Keen to buy, sell or just browse this well-known Kiwi website but not sure how to? This workshop will help you. It covers everything you need to know about using TradeMe.

***By the end of this workshop you will know how to:***

- Set up your TradeMe account
- Search for an item you want to buy
- List and present an item in the best way possible
- Upload photos onto your auction to ensure a successful sale
- Pay for or receive money from a sale safely
- Discover what to do if your item doesn't sell

### ***Duration & Cost***

Two hours - variable day and time

Cost \$5

***What you need to know before you attend this workshop:***

Nothing! Just come prepared with your questions.

## *Skype Workshop*

Learn how you can see as well as talk to your children, grandchildren or friends anywhere in the world using Skype, a free video calling program.

***By the end of this workshop you will know how to:***

- Find and upload Skype on to your PC, Tablet or smartphone
- Use Skype and understand how it works
- Talk face to face with family and friends
- Resolve any problems you may have encountered in the past

### ***Duration & Cost***

Two hours - variable day and time.

Cost \$5

***What you need to know before you attend this workshop:***

If you are already using Skype and would like to discuss any problems you may have, prepare and bring your questions with you.

## Special Interest Groups (SIG)

### *Digital Photography*

If you have a keen interest in digital photography, then this SIG will be of value to you. It's a chance for you to network with other members who are interested, like you, in photography and graphical image editing.

#### *By the end of this workshop you will have*

- Mixed and mingled with members who have a similar interest to you
- Shared your experience with others
- Expanded your own knowledge even further

#### *Duration & Cost*

2½ hours – 3<sup>rd</sup> Monday of each month at 1:30 pm. Cost \$5

#### *What you need to know before attending this workshop:*

As the SeniorNet Kapiti computers do not have graphical image editing software you will need to bring your own device and use your own software. Please bring your camera. Please encourage other members to attend with you.
